RE: Correction of message 7116302, dated 04/26/2017 concerning the antidumping duty order on low-enriched uranium from France (A-427-818)

1. This is a correction to message 7116302, dated 04/26/2017, to correct paragraph 2 of that message.
2. Paragraph 2 of message 7116302 references a message number which was incorrect. Paragraph 2 of message 7116302 referenced message 7115313, however, the correct message number is 7115333. Below is the fully corrected message.
3. Commerce does not automatically conduct administrative reviews of antidumping duty orders. Instead, reviews must be requested pursuant to section 751(a)(1) of the Tariff Act of 1930, as amended, and in accordance with 19 CFR 351.213.
4. Commerce has not received a request for an administrative review of the antidumping duty order for the period and on the merchandise identified below. Therefore, in accordance with 19 CFR 351.212(c), you are to liquidate entries of merchandise entered, or withdrawn from warehouse, for consumption during the period and assess antidumping duties at the cash deposit rate in effect on the date of entry, unless message 7115333, dated 04/25/2017, applies with respect to merchandise entered under A-427-818-002.

Product: Low-Enriched Uranium

Country: France

Case number: A-427-818

Period: 02/01/2016 through 01/31/2017

NOTE to CBP: Merchandise entered under A-427-818-002 is destined for reexport as described in message 2051201, dated 2/20/2002. Therefore, you should not liquidate entries of merchandise entered under A-427-818-002 after 07/31/2015 until specific instructions have been issued.

5. There are no injunctions applicable to the entries covered by this instruction.

6. Notice of the lifting of suspension of liquidation of entries of subject merchandise covered by paragraph 2 occurred with the publication of the notice of initiation of administrative review for the 02/2017 anniversary month (82 FR 17188, 04/10/2017). Unless instructed otherwise, for all other shipments of low-enriched uranium from France you shall continue to collect cash deposits of estimated antidumping duties for the merchandise at the current rates.

7. The assessment of antidumping duties by CBP on shipments or entries of this merchandise is subject to the provisions of section 778 of the Tariff Act of 1930, as amended. Section 778 requires that CBP pay interest on overpayments or assess interest on underpayments of the required amounts deposited as estimated antidumping duties. The interest provisions are not applicable to cash or bonds posted as estimated antidumping duties before the date of publication of the antidumping duty order. Interest shall be calculated from the date payment of estimated antidumping duties is required through the date of liquidation. The rate at which such interest is payable is the rate in effect under section 6621 of the Internal Revenue Code of 1954 for such period.

8. Upon assessment of antidumping duties, CBP shall require that the importer provide a reimbursement statement, as described in section 351.402(f)(2) of Commerce's regulations. The importer should provide the reimbursement statement prior to liquidation of the entry. If the importer certifies that it has an agreement with the producer, seller, or exporter, to be reimbursed antidumping duties, CBP shall double the antidumping duties in accordance with the above-referenced regulation. Additionally, if the importer does not provide the reimbursement statement prior to liquidation, reimbursement shall be presumed and CBP shall double the antidumping duties due. If an importer timely files a protest challenging the presumption of reimbursement and doubling of duties, consistent with CBP's protest process, CBP may accept the reimbursement statement filed with the protest to rebut the presumption of reimbursement.

If there are any questions by the importing public regarding this message, please contact the Call Center for the Office of AD/CVD Operations, Enforcement and Compliance, International Trade Administration, U.S. Department of Commerce, at (202) 482-0984.
